

LIST OF PRODUCED AND SUPPLIED EQUIPMENT

1. Marine Equipment

Equipment from international suppliers:

- 1) Propulsion (thrusters, propellers, reducers);
- 2) Main and auxiliary diesel generators;
- 3) Rudders and steering systems
- 4) Marine fittings
- 5) Pumps
- 6) Lighting equipment
- 7) Marine anchors and chains
- 8) Winches
- 9) Ropes and cables
- 10) Life boats and davits
- 11) Life rafts
- 12) Marine elevators
- 13) Sliding doors
- 14) Compressors
- 15) Boxcoolers
- 16) Marine cranes

Equipment produced by MSC LLC:

- 1) Anti-heeling system
- 2) Ballast water system with anti-heeling functions
- 3) Pumps
- 4) Marine fittings

2. Marine Interiors

Equipment from international suppliers:

- 1) Marine furniture
- 2) Marine fire doors

Equipment produced by MSC LLC:

- 1) Sanitary (wet) units
- 2) Marine fire doors

3. Oil & Gas Equipment

Equipment produced by MSC LLC:

- 1) Oil and gas separators
- 2) Washing units for axial and centrifugal compressors
- 3) Buffer gas dryers
- 4) Dosing units
- 5) Ultrasonic treatment machines
- 6) Chemicals and anti-freeze solutions

4. Firefighting systems

Equipment from international suppliers:

- 1) Monitors
- 2) Fire pumps and fittings
- 3) Water mist firefighting systems
- 4) Sprinkler/Drencher fire-fighting systems
- 5) CO2 fire-fighting systems
- 6) Inergen fire-fighting systems
- 7) Foam fire-fighting systems

5. Marine chemicals and accessories

Provided by Wilhelmsen Ship Services.

6. Spare parts and materials

Under a special request, we can find and supply the following items from Russian suppliers:

- 1) Ferrous metal-roll (plates, bulb flats, rods, pipes, stripes)
- 2) Nonferrous metal-roll and alloy materials (plates, rods, pipes, ingots)
- 3) Heat-insulating materials
- 4) Spares parts
