Pristine Russia

**All-Russian nature
festival**

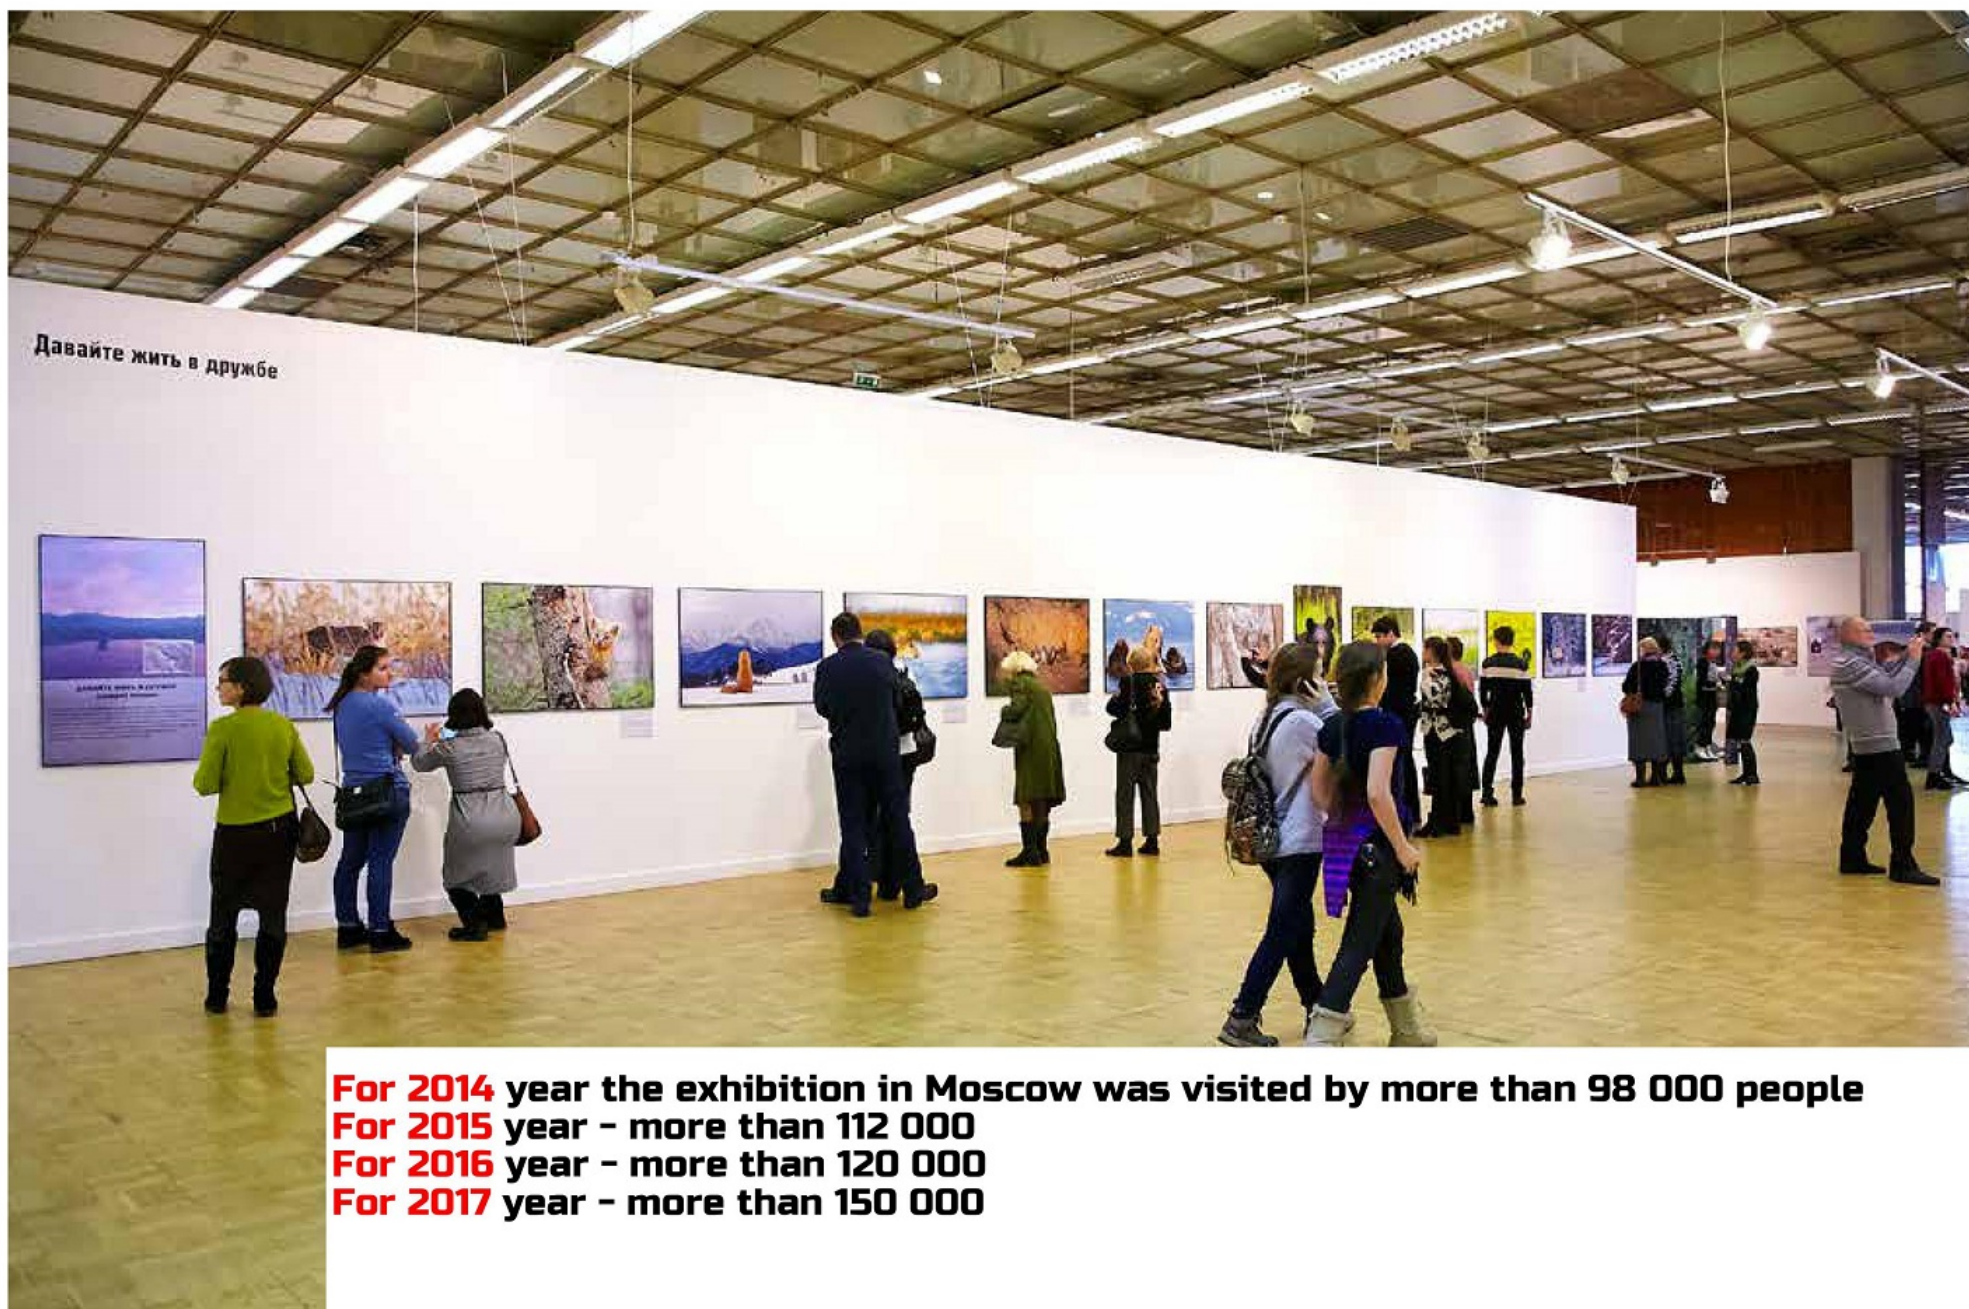

- **50 cities of Russia;**
- **70 countries of the world;**
- **More than 200 participating photographers;**
- **More than 1000 best photos of the pristine nature of Russia;**
- **More than 100 newest documentary movies about nature;**
- **More than 200 cognitive lectures and meetings with interesting people;**
- **More than 200 master classes for children.**

More than **500 photos** every year present the Russian nature of Russia in all its diversity and beauty: picturesque landscapes and unique portraits of wild animals made by the best Russian photographers.

For 2014 year the exhibition in Moscow was visited by more than 98 000 people
For 2015 year - more than 112 000
For 2016 year - more than 120 000
For 2017 year - more than 150 000

TRAVELLING OF THE EXHIBITION

Annually, after the end of the festival in Moscow, people in many regions of Russia and foreign countries get the opportunity to see the best photos of Russian nature. For four years, the "Pristine Russia" festival visited 50 Russian cities and 70 countries. Within the framework of the festival there were exhibitions, regional photo contests and documentary film festivals.
